- Registration deadline: **April 30<sup>th</sup>, 2020**

The conference is organized by a group of researchers brought together by a program of the French Research Agency (ANR) ECHOPPE on housing economics and policies.

Contributed papers on recent developments of research on housing will be integrated in the conference program. All papers with a specific focus on housing are welcomed. The idea is to foster discussion between members of ECHOPPE and other researchers working on housing economics and housing policies.
